Dear Mr. Copfer:

Your notices to conduct mining related operations on unpatented mining claims, UMC serial number, 329271 located in E2, Sec. 23, T. 19 S., R. 8 W., and UMC serial number, 329272 located in NE, Sec. 24, T. 24 S., R. 9 W., SLM, were received on March 3, 1993 and have been accepted by this office. Your notices have been assigned case file numbers UTU-070676 and UTU-070677 respectively. Please use these number in any future correspondence concerning your respective notices. Your previous notices serial numbers UT-055-92-02N and UT-055-92-03N have been administratively closed and combined into UTU-070676 and UTU-070677 respectively.

If you change your operations from what is described in your notices, please contact this office prior to the change. If your operations extend for more than one year, please advise this office on the status of your mining related activity on the anniversary date of your notices.

Enclosed is a copy of the Conditions of Acceptance for BLM Mining Notices, required by the Richfield District, Warm Springs Resource Area. Please follow these guidelines as they pertain to your operations.

Copies of your notices have been sent to the Utah Division of Oil, Gas and Mining (UDOGM); therefore, you will not have to file these notices with them.

All mining claimants and operators that plan to use, store or divert water are required by Utah statute to notify the Utah Department of Environmental Quality, Division of Water Quality. Prior to the commencement of the proposed activity, all appropriate state water quality permits need to be

obtained from the Utah Department of Environmental Quality,
Division of Water Quality, located at:

DIVISION OF
OIL GAS & MINING

As required by 43 CFR 3809, Surface Management Regulations, reasonable measures must be taken to prevent unnecessary or undue degradation of public lands during your operations. Please notify this office upon completion of operations and reclamation, so an inspection may be conducted on the site. Reclamation under this notice is required to conform to the standards of the Utah Mined Land Reclamation Act.

Acceptance of your notice will not now, nor in the future, serve as a determination of the validity nor ownership of any mining claim included under your notice.

If you have any questions regarding this letter, please feel free to contact Rody Cox at (801) 743-6811. Thank you for submitting your notice.

Sincerely,

Dave Henderson
Area Manager
